

# SHIPPING & RETURN POLICY

Last updated November 12, 2020

## Shipping

Our shipping is fulfilled by the dedicated workers of USPS. Since we ship nationally the shipping and handling is paid for by the customer. All products are sent to the shipping department on Mondays, and can be expected for delivery between 7 and 14 business days depending on the shipping status of the country. The current pandemic may increase shipping times.

## Returns

Due to the nature of our products and the current state of the world with COVID-19, we cannot issue returns at this time. All sales are final. We do everything in our power to ensure your products arrive to you safely and intact. If your items arrive damaged please contact us.
